

WHO SHOULD JOIN?

Those who wish to establish a one-on-one forum where corporate partners and Sheriffs can exchange information and work together on public safety issues.

Member corporations also have the opportunity to showcase their most innovative products and services with Sheriffs and their staff.

These opportunities are critical in building strong relationships with the public safety leaders of the Western U.S.

ANNUAL MEMBERSHIP DUES ARE \$2,000

Each Corporate Partner Application will be vetted by the WSSA Executive Board for approval. Payment will be processed after being approved for membership.

WHO WE ARE

The Western States Sheriffs' Association (WSSA) was established in 1993. For the past 30 years, we have been dedicated to protecting the Office of Sheriff, Protecting the Communities we serve and assisting and supporting the Sheriffs of the Western United States.

OUR MISSION:

The mission of the Western States Sheriffs' Association is to assist Sheriffs and their Offices with federal and state legislative issues, address policy and procedural matters, develop guidelines to promote uniformity in matters that are important to sheriffs of the western United States and to work together to keep the Office of the Sheriff strong.

PURPOSE

The Association was formed in an effort to bring greater attention to the various public safety issues in the Western United States that revolve around Public Lands, 2nd amendment, border security and numerous legislative efforts to protect the rights of the citizens served.

GOALS

- To combine the traditional practices of the Sheriff with today's world of technology.
- Develop and deliver leadership and executive training to Sheriffs and their administrative staff in effort to train tomorrows leaders.
- Establish and maintain strong working relationships with state and federal partners including congressional representatives responsible for funding policies affecting the western U.S.
- Support and protect the Office of Sheriff and assist our membership in resolving challenges affecting public safety.
